Chapter 1

LaTeX document structure

1.1 Section

Here is a brief overview of a simple book structure. This section will be further expanded into subsections. Have a look!

1.1.1 Subsection

I think I might want to go into further details, so I will open another nested subsection...

Subsubsection

Here we are. Nothing much to say though. See you in the next subsection

1.1.2 Another subsection

And so on...
